MEMORANDUM FOR: Chief, Physical Security Division
Chief, Technical Security Division

SUBJECT : Security Policy Review

1. The Director of Security, at his 12 April morning staff meeting, announced that a major goal of CY 1974 would be a complete review of all security policy documents. Accordingly, in the months ahead, all security regulations, policy papers, directives, notices, etc., will be reviewed and revised as necessary to assure that by 1 January 1975 the complete policy foundation of this Office is accurate, valid and up-to-date.

2. The DD/P&M has been asked to design an administrative attack on this admittedly massive undertaking. Until the DD/P&M reports back to the Director of Security, no formal action on this problem will be required.

3. In the meantime, however, it is requested that you announce to your personnel the coming of this requirement so that ideas for needed changes will start accumulating in your offices as soon as possible.
